Dear fellow cattle producers,

I want to start off by thanking everyone for taking time to evaluate our 2024 bull sale offering. We're partnering with CKONLINESALES to bring you the bulls in an online offering. As in years past, the bulls have been performance and ultra-sound tested, and that information is available for your consideration. Videos of each bull will be available on CKONLINESALES.COM as well as BRENTCHAROLAIS.COM the first week in March. All of the bulls have passed a breeding soundness exam performed by a licensed veterinarian, been fully vaccinated, and come with a first season guarantee. If there is anything I can do to assist with your selection, or if you would like to view the bulls in person before the sale, please call.

Thank You,
Matthew Brent
